All above named are happy/not happy to have their records held on the Parish digital database.

At St Simon Stock we embrace the concept of **“Sharing my Time, Talents and Treasures”** because as Stewards of this parish, we are each responsible for its upkeep, and we have a duty to pass the parish on to the next generation in the best condition possible. On the reverse of this Form you will find a list of Ministries and activities in which every parishioner is invited to join. Please tell us how you can contribute by offering your skills and talents for the benefit of the whole community. Thank you.
