TheGivingMachine is the UK charity that lets you give for free, to help St Simon Stock Church and the charities you care about.

Buy from over 2,000 participating shops so that together, we can make a huge difference to our Parish finances at **no extra cost**.

When we shop via TheGivingMachine, we generate cashback, which then is converted into free donations for our church and that's how it works to enable us to contribute more to our parish funds without **costing us any extra**.
