

Dear Parents and friends of the 14th Medway (St. Simon Stock) Scout Group.

This Scout Group has served the local community for over 27 years with many young people gaining skills for life and lots of fun and exciting adventures along the way.

Several members of the Group have or are due to step down from their roles having given many year's service to the Scouts.

As with any Scout Group we rely purely on our dedicated volunteers to keep things running and we need to recruit additional volunteers so that we can keep providing exciting and adventurous activities for your children.

We are looking for new help to fulfil several roles to ensure the continued operation of the Scout Group beyond the Summer school holidays: we are seeking...

- Section Team members– to help with running each of the different section age ranges.
- Lead Volunteer (manager) - to look after and manage the running of the Group as a whole.
- Trustees – to assist with the governance of the Group.

Volunteering can be great fun and extremely rewarding, no experience is necessary for any of these roles, and full support will be provided to help you settle in. If you would like to volunteer or would like more information about any of these roles then please do feel free to contact john.brisley@medwaytowns.org.uk or call / text 07802664656 or Liz Simmons chair14thmt@gmail.com / text or WhatsApp 07957 384488.

Many Thanks in advance.
